

BUTTERFLY creek™

Venue Information

Butterfly creek is situated in a marvellous, picturesque setting and is a terrific venue for any function or party.

With a unique “flavour”, including a range of classic attractions, Butterfly Creek offers great facilities and various space options catering to individual groups or capable of being treated as one interlinked series of spaces with a capacity of up to 1800.

Two separate kitchens and three separate bars cater comfortably to most requirements.

Due to our location noise is never an issue, and transport can be arranged for any booking.

To follow is a full description of our rooms and facilities provided to cater for your next event, party or function:

Rooms and Spaces

Papillon Room

First impressions always count, and none more so than at the Papillon Room, Butterfly Creek. The stunning design provides an open, spacious ambience that more than complements the warm, friendly welcome. Extensive glazing and wrap-around decks afford commanding views over the surrounding wetlands and landscape.

This unique venue is perfect for any function; be it a wedding, fashion show, product launch, business seminar or any other celebration. The Papillon Room caters for between 130 and 150 dining guests or 200 cocktail guests. The surrounding uncovered decks accommodate a further 60 persons.

The Papillon Room can be transformed into a theatre style seminar room for conferences with a drop down 2.4m projector screen and sound system – ideal also for any TV screened, sports related party.

Papillon Café

Located adjacent to the Papillon Room, Papillon Café enjoys a unique, enviable setting, with excellent indoor and outdoor flow on to the surrounding decking and patio areas.

Papillon Café caters for up to 60 persons and is suited to smaller functions or events – a great venue for those breakfast and lunch meetings.

The adjacent deck – closed in with both roof and perimeter drop-screens – accommodates a further 80 persons.

Seminar / Boardroom

This first floor seminar meeting room is ideal for any corporate meeting requirement.

Complete with its own small deck, the boardroom caters for smaller groups and meetings, holding approximately 20 people.

Aqua Room

A lovely space with a real twist. Located off the Butterfly House exhibit walkway, this bright, colourful and airy room has some intriguing features including a large NZ coastal sea horse tank and a wall mounted collection of some very strange bugs.

Open the screen doors and you look straight into the 10m long freshwater tropical tank.

Primarily used as a meeting and education room this space has excellent potential for that informal cocktail or special social gathering.

Buds Party Room

Used more often for children's parties this room is located adjacent to the outside patio and playground.

The room is bright and cheerful, has excellent natural lighting and has also been used frequently for seminars and functions.

Outdoor Patio

The outdoor paved patio area can seat up to 250 persons and is perfect for those mild summer evenings.

Leading off the café, this area is lit up at night, has a lovely garden backdrop and comes complete with its own conveniences, including a BBQ and mini bar.

Wetland Entertainment Stage & Concert Venue

Constructed over the wetland and approximately 75m² in area, this stage is ideal for your outdoor concert or summer party. The stage runs off a large paddock and is easily viewed from the nearby Butterfly Creek decks and function rooms.

The grassed and fenced paddock is capable of holding groups of well over 1000 persons and is a great music venue.

This area has been used on many occasions with marquees being erected to host very successful parties and other events. Noise is not an issue.

Interested in hiring just the facility?

Inquire with Function staff if you are interested in hiring just the venue for after-hours functions.

Courtesy Pick-Up

Our 11 seat mini-coach is available for courtesy pick-up and delivery to and from Auckland Airport for those attending meetings at Butterfly Creek.
