

# CURIOUS KIWI

## Move and Play

Move like a kiwi with a game of *Simon Says*...

 *run fast*  
*walk slowly*  
*jump and kick*  
*forage with your beak*  
*curl up to sleep*

## Investigate

Discover the types of invertebrates that kiwi eat by going on a bug hunt. Use this [minibeast guide](#) to identify what you find.

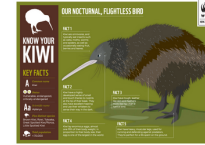

## Research

Watch a video [here](#).  
Download a factsheet [here](#).  
Click each image for books about kiwi.

## Present

Create your own poster, slideshow, factsheet, quiz or video to share what you've learnt with others.

## Write

 Watch or read the story *How the kiwi lost it's wings*.  
Write your own story, poem or song about kiwi.  
Click [here](#) for some musical inspiration. 

## Design

Watch a [video](#) to find out what kiwi need to live.  
Design your own kiwi enclosure that includes places for them to sleep and forage for food.

## Listen and Learn

*He kiwi nā* Carolyn Collis and *Te Hua Tuatahi a Kuwi (Kuiwi's First Egg)* nā Kat Quin are lovely books about kiwi.

## Measure and Compare

 Kiwi lay huge eggs compared to their body size - about 20% of the mother's body weight!  
Print an [activity sheet](#) to investigate the egg sizes of New Zealand native birds.

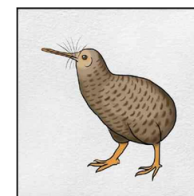

## Understand

Find out how Butterfly Creek helps to conserve kiwi [here](#). Visit [Save the Kiwi](#) to find out more about kiwi conservation.

## Draw and Create

Learn how to draw a kiwi [here](#).

Visit our [Pinterest page](#) for lots of arts and craft ideas.

## Share your work

We'd love to see photos of your kiwi projects.  
You can e-mail us [here](#).
