

BUTTERFLY creek™

EARLY CHILDHOOD VISITS

A GREAT DAY OUT

Butterfly Creek is the perfect place to visit for a safe, fun and educational day trip. Our living classroom offers your tamariki a chance to learn about the animal world and connect with nature. It's easy to walk around, even for little legs, and a great day out rain or shine as 75% of our exhibits are undercover.

ATTRACTIONS

Popular attractions include our Butterfly House, Dinosaur Kingdom, Kiwi Forest, Mythical Creatures, Buttermilk Farm and New Zealand's only saltwater crocodiles. We also have a fun short train ride.

ANIMAL ENCOUNTERS

We have 9 free daily animal encounters including our popular crocodile feeding encounter at 1pm. Children also have the opportunity to have a hands-on experience in Buttermilk Farm where they can feed and pet rabbits, guinea pigs, goats and other animals.

PRE-VISITS

We offer free pre-visits for 2 teachers if your centre hasn't visited in the last 12 months.

Please contact our education coordinator for details:
education@butterflycreek.co.nz

WHEN YOU ARRIVE

A group coordinator will meet you on arrival and get you set up for the day. If you have booked a train ride we will remind you of your timings for the day and highlight the free animal encounter times that you are welcome to attend. You will then be able to guide yourselves around the complex.

FREE EDUCATION RESOURCES

We have a range of free education resources for you to download from our website that will support your tamariki's learning. Explore our Education Hub:
www.butterflycreek.co.nz/education-hub

BOOKING & PRICING

Groups are able to visit Wednesday - Friday. Bookings are made online and require a 25% deposit to secure your visit, and a minimum of 15 paying children aged over 3 and a maximum of 15 under 3's are free.
www.butterflycreek.co.nz/early-childhood
