

BUTTERFLY creek™

SCHOOL VISITS

A GREAT DAY OUT

Butterfly Creek is the perfect place to visit for a safe, fun and educational day trip. Our living classroom offers your students a chance to learn about the animal world and connect with nature. It's easy to walk around and a great day out rain or shine as 75% of our exhibits are undercover.

ATTRACTIONS

Popular attractions include our Butterfly House, Dinosaur Kingdom, Kiwi Forest, Mythical Creatures, Buttermilk Farm and New Zealand's only saltwater crocodiles. We also have a fun, short train ride.

KEEPER TALKS & ANIMAL ENCOUNTERS

You can book 15-minute keeper talk on one of the following topics: kiwis, wētāpunga, butterflies, dinosaurs, eels or small reptiles. Minimum of 30 children.

We have 9 free daily animal encounters including our popular crocodile feeding encounter at 1pm that you can watch. Please note that not all your group may be able to fit in some animal encounters.

PRE-VISITS

We offer free pre-visits for 2 teachers if you have a booking and have paid the 25% deposit.

Please contact our education coordinator for details:

education@butterflycreek.co.nz

WHEN YOU ARRIVE

A group coordinator will meet you on arrival and get you set up for the day. If you have booked a keeper talk or train, we will remind you of your timings for the day and highlight the free animal encounter times that you are welcome to attend. You will then be able to guide yourselves around the complex.

FREE EDUCATION RESOURCES

We have a range of free education resources for you to download from our website that will support your students learning. Explore our Education Hub:

www.butterflycreek.co.nz/education-hub

BOOKING & PRICING

School groups are able to visit Wednesday - Friday.

Bookings must be made online and require a 25% deposit to secure your visit, and a minimum of 15 paying children (maximum group size 180).
